Parties:

I am David Stark and will be administering the case in Docket No. 2021-165-E. We are scheduled to have a virtual hearing on Monday, 8/16/21 at 10:00 a.m. To accomplish this virtual hearing, we will use WebEx as the videoconferencing software.

In order for our IT staff to send you the invitation (via email) to the WebEx meeting, I will need each party to fill out the information contained in the following survey:

<https://www.surveymonkey.com/r/27XRVKT>

I would ask that you fill out this information as soon as possible.

I think that a test-run would be appropriate, to make sure everyone is able to access the software and that our equipment can communicate easily – this will avoid any problems during the hearing scheduled for Monday at 10:00. I would propose that we have, simultaneously, a test-run and a prehearing conference on Thursday or Friday, at a time that is mutually acceptable to you all. If the parties would advise me about when you prefer to have a test-run and (brief) prehearing conference, I would appreciate it.

As always, please make sure to "reply all" to any communications so that everyone has a complete record and please make sure that "contact.psc.sc.gov" is copied.

Regards,

David Stark
